

“Our relationships are ways to experience and express the joy that comes through sacrificial selflessness.”

At this year's retreat, Russ Kennedy will be presenting a series of talks from the book of Philippians. His material will help Christians respond with sacrificial selflessness in their relationships; for the sake of their own joy and the joy of others. Here are just some of the topics Russ will be covering:

- Shaping the praying in our relationships
- Growing through serving in our relationships
- Aiming toward selflessness in our relationships
- Rejecting self-righteousness in our relationships
- Responding well to challenges in our relationships
