

Personal Ministry Training Module Reading Assignments

The following are your reading assignments for the Personal Ministry Training Module. Homework and reading are due before the weekend sessions. You will profit more from the lectures and discussions if you have completed your reading first. Many of our lessons and lectures will refer to and are built on the material in the books. The book list is below.

Title	Author	Theme	Approximate Cost
Why Christians Can't Trust Psychology	Ed Bulkley	Thinking through integrationism and sufficiency of Scripture	\$ 11.00
Instruments in the Redeemer's Hands	Paul Tripp	Introduction to personal ministry in counseling	\$ 11.50
How People Change	Tripp and Lane	Development and practice of personal ministry in counseling	\$ 12.50
Cross Talk	Michael Emlet	Handling and applying the Bible	\$ 11.00
War of Words	Paul Tripp	Heart issues in communication	\$ 10.50
Excellent Wife (required for ladies only)	Martha Peace	Biblical role of a wife	\$ 9.50
Exemplary Husband (required for men only)	Stuart Scott	Biblical role of a husband	\$ 11.00
Instructing a Child's Heart	Tedd Tripp	Biblical parenting	\$ 11.50
Total for ALL books <i>not including tax</i>:			\$ 88.50

The reading is based on **CPR**:

- Content** Summarize the core teaching or principles of the pages/chapters you are reading.
- Personal** Explain how these truths and principles impacted your life in personal, life-changing, maturing application.
- Relational** Think through how to apply these truths and principles in your relationships where you minister to people.

The reading responses should reflect what you are learning from the books. Write clearly and concisely. When you are helping people through personal discipleship and counseling, you will need to be able to talk through issues and truths in clear and understandable ways. Assignments like this will help you to begin to express what you are learning in your own words.

Completion of all reading and homework is a prerequisite for the NANC Module. Please do the reading in the order it appears below. Reading Response Sheets are numbered and are provided for you. Two extra are provided at the end in case you need them. You may fill them in through Microsoft Word and then print the pages that are due or you may print them and fill them in by hand.
