A Quiet Heart

Silencing The Noise of Life.

Grace Partner's Family Enrichment Weekend
January 27-28, 2012

We live

in a world awash with noise. Vehicles, people, construction and manufacturing all contribute to the noise of daily life. The blare of radios, mp3 players, TVs, computers & other electronic distractions add to the din so prevalent in modern society. But then there is this noise in our souls - the anxiety, fear, worry, criticism and lack of stillness and quietness in the midst of the difficulties of life.

Lou Priolo, will instruct us in using God's Word to calm the clamor in our hearts. His teaching will point us to our Ruler and Redeemer, the Lord Jesus Christ. Through the Scriptures, we will learn how to have a sure faith and trust that stills our hearts before our God. Quiet hearts that rest in His promises will produce good fruit.
